**ART JOURNALS!**

## What is it?

Art journaling is a no-rules, creative practice that requires NO artistic experience.

Process is the emphasis, not product. It's healing, transformative, cathartic, fun, and satisfying. It frees your heart and mind.

We'll show you how to use paint, collage, stamps and more! The focus is on what feels good to you, not what someone else expects from you.

## What do we need?

ALL workshop materials are included. We provide the instructor and supplies. You supply the **space** and **participants**. We have a large

collection of materials to pool and books about creative journals to share and inspire you. Participants are encouraged to bring imagery and text that is significant to them as well.

We have a wide variety of journals to use as a basis for the art journal and will provide one for each participant to use and take home for additional journaling.

## How much will a workshop cost?

I estimate \$49 per participant for a two hour workshop.

However, **each workshop is unique**. Because of that, when negotiating fees, we need to take into consideration issues such as project materials, transportation costs, travel time, participant insurance, instruction time, instructor fee, accommodations, meals, (as applicable) and additional preparation time. A workshop in Aruba has a much different budget than a workshop in the next town over from the one where I live. Call us to discuss what you need and we can negotiate details. We love new art-ventures and can invent one to suit your needs more often than not!

Maximum 10 participants per workshop. Additional participants permitted at an additional cost per person.
