WORKSHOPS THAT COME TO YOU:

**BEADED
BALL CAP**

What is it?

In this workshop, participants will bead a design of their choosing onto felt that is later stitched on a baseball cap that we provide (or your own).

We'll show you how to prep your design, transfer it to felt, pick the beads you will need, sew the beads onto the felt, and stitch it onto the cap. The focus is on what your group needs and wants.

Each participant gets to take their project home with them at the end of the session(s).

What do we need?

ALL workshop materials are included. We provide the instructor and supplies. You supply the **space and participants**.

Recommended age 14 and up.

How much will a workshop cost?

I estimate \$79 per person for a two hour introductory workshop for students with hand sewing experience.

Three and four hour sessions available at an adjusted rate for beginners. It took me a day to bead the designs that are

shown on the hats in this brochure. Prices can be adjusted dependant on project size. Specific designs require certain colour combinations of beads, so predetermining logos/patterns to be created by the participants may be required and impact pricing.

Each workshop is unique. Because of that, when negotiating fees, we also need to take into consideration issues such as project materials, transportation costs, travel time, participant insurance, instruction time, instructor fee, accommodations, meals, (as applicable) and additional preparation time. A workshop in Aruba has a much different budget than a workshop in the next town over from the one where I live. **Call us to discuss what you need and we can negotiate details. We love new art-ventures and can invent one to suit your needs more often than not!**

Maximum 10 participants per workshop. Additional participants permitted at an additional cost per person.
