

A white t-shirt is displayed against a white background. The t-shirt features three lines of hand-painted text in the center. The first line is 'HAND' in red, the second is 'PAINTED' in brown, and the third is 'T-SHIRTS!' in teal. The text has a rough, brush-stroke texture. Below the painted text is a line of smaller, black, sans-serif text in parentheses.

HAND PAINTED T-SHIRTS!

(and other wearable art projects)

CATNIP REPUBLIC PRODUCTIONS

WORKSHOPS THAT COME TO YOU

What is it?

Hand painting your clothing is fun, and it is not as complicated as you may think! Everyone is capable of making a quality, permanent design on a t-shirt, shoe or other item of clothing. No experience necessary!

I will show you how to make permanent designs over your

textiles (t-shirts, pants, jacket...you name it!) in an easy and a fun way. The big advantage of this method is that your design can be placed anywhere, unlike commercial print offerings, it is more resistant to washing, and often better quality.

Requirements:

- a plain t-shirt, canvas shoe, old denim jacket... (start cheap, avoid textiles that stretch, cotton is best)
- access to a printer and a computer (optional)
- iron board (or flat table)
- willing participants
- we bring the rest!

Estimated time can vary depending on your skill and design choice.

Each workshop is approximately 3 hours in length.

Space is **limited** to 12 participants for this specific workshop.

During the event, we will introduce you to various tips and tricks to get you through each step of the painting process - from planning to brush

stroke techniques to after care. We want your **wearable art** to be memorable.

What do we need?

We will come to your location & bring all the art supplies. All you provide are tables, chairs, sink, water & ironing board (or flat table). Access to a computer and printer are optional. Participants need to bring their own items to paint.

Participants are asked to please wear old clothes - or a smock - as the paint may ruin clothes.

Recommended age 12 and up.

How much does this workshop cost?

I estimate \$49 per participant for a three hour workshop.

However, ***each workshop is unique.*** Because of that, when discussing fees, we need to take into consideration issues such as project materials, transportation costs, travel time, participant insurance, instruction time, instructor fee, accommodations, meals, (as applicable) and additional preparation time. A workshop in Aruba has a much different budget than a workshop in the next town over from the one where I live. Call us to discuss what you need and we can negotiate

details. **We love new art-ventures and can invent one to suit your needs more often than not!**

Maximum 12 participants per workshop. Additional participants permitted at an additional cost per person.
