

# PAINT YOUR PET

CATNIP REPUBLIC PRODUCTIONS  
WORKSHOPS THAT COME TO YOU

## What is it?

Pets make our lives better. They bring love and liveliness to our everyday lives; they are esteemed members of our families. Pet portraits are a wonderful way to celebrate these beloved furry, feathered, fuzzy or scaled friends in painted form.

You must provide a photo of your pet and we provide a pre-sketched canvas ready for participants to paint & take home! Each workshop is approximately 3 hours in length.

Space is **limited** to 12 participants for this specific workshop. Participants **MUST** pre-register and provide a clear photo of their pet in advance.

During the party we will guide you through each step of the painting process - from mixing your paint to brush stroke techniques.

We will come to your location & bring all the art supplies. All you provide are tables, chairs, sink & water.

## What do we need?

ALL workshop materials are included.

Participants are asked to please wear old clothes - or a smock - as the paint may ruin clothes.

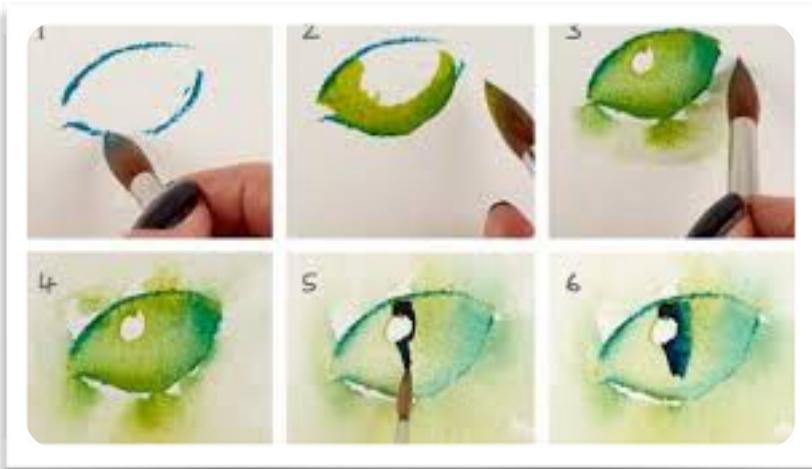

Recommended age 12 and up.

# How much does this workshop cost?

I estimate \$59 per participant for a three hour workshop.

However, ***each workshop is unique***. Because of that, when discussing fees, we need to take into consideration issues such as project materials, transportation costs, travel time, participant insurance, instruction time, instructor fee, accommodations, meals, (as applicable) and additional preparation time. A workshop in Aruba has a much different budget than a workshop in the next town over from the one where I live. Call us to discuss what you need and we can negotiate details. **We love new art-ventures and can invent one to suit your needs more often than not!**

**Maximum 12 participants per workshop.** Additional participants permitted at an additional cost per person.
