WORKSHOPS
THAT COME **TO YOU:**
PUNCH EMBROIDERY

What is it?

Join us to take a modern approach to the traditional technique of **punch needle embroidery or rug hooking**.

The needle punching method results in beautifully textured finished pieces that can be turned into wall hangings, rugs, pillows, bags, and more.

This is a super satisfying fiber art that is fairly quick and easy, so it's **great for beginners!**

In this workshop you'll practice the punch while you work on an abstract swirl pattern designed for this class. **Explore the various texture options to create your finished piece.**

We'll discuss different types of punch tools, fabrics, and fibers that can be used and troubleshoot common issues.

All materials and supplies will be provided. **The toolkit is included in the class fee** (a non-slip hoop and an adjustable loop length punch needle tool), so you can keep the punching party going when you get home..

What do we need?

ALL workshop materials are included. We provide the instructor and supplies. You supply the **space and participants**.

Recommended age 14 and up.

How much will this workshop cost?

I estimate \$49 per participant for a two hour workshop.

However, **each workshop is unique**. Because of that, when discussing fees, we need to take into consideration issues such as project materials,

transportation costs, travel time, participant insurance, instruction time, instructor fee, accommodations, meals, (as applicable) and additional preparation time. A workshop in Aruba has a much different budget than a workshop in the next town over from the one where I live. Call us to discuss what you need and we can negotiate details. We love new art-ventures and can invent one to suit your needs more often than not!

Maximum 10 participants per workshop. Additional participants permitted at an additional cost per person.
