WORKSHOPS THAT COME TO YOU:  
*pysanky!*

## What is it?

Pysanky, or Ukrainian Easter Eggs, are a centuries-old Eastern European decorating tradition that is passed down through the generations. Children love making these beautiful eggs. Using a stylus called a kistka, we will write with melted beeswax onto the shell of a raw egg, then dip it into vibrant dyes. The finished eggs are beautiful little Easter decorations.

# What do we need?

ALL workshop materials are included. We provide the instructor and supplies. You supply the space and participants. Children will bring home two decorated eggs and their own decorating tools.

Participants are asked to please wear old clothes - or a smock - as the dye will stain.

Recommended age 12 and up.

## How much does this workshop cost?

I estimate \$49 per participant for a two hour workshop for beginners.

However, **each workshop is unique**. Because of that, when discussing fees, we need to take into consideration issues such as project materials, transportation costs, travel time, participant insurance, instruction time,

instructor fee, accommodations, meals, (as applicable) and additional preparation time. A workshop in Aruba has a much different budget than a workshop in the next town over from the one where I live. Call us to discuss what you need and we can negotiate details. We love new art-ventures and can invent one to suit your needs more often than not!

Maximum 10 participants per workshop. Additional participants permitted at an additional cost per person.
